Paradise & Wilderness

Paradise & Wilderness is an expert in safaris in Tanzania and a specialist in holidays in Zanzibar, owned by the Dutchman Bert Schoonvelde. Years ago, he came to Zanzibar for a holiday and fell in love with this magnificent place.

"Now, I am lucky enough to have three Beach Resorts and a Boutique Hotel on Zanzibar, a Safari Lodge in the Selous Game Reserve / Nyerere National Park and several more Safari Lodges located near or in world's most famous national parks: Serengeti central, Serengeti north, Lake Natron, Lake Manyara and Arusha."

This combination of culture, incredible white sand beaches and the largest wildlife sanctuaries in Africa makes Tanzania unique.

Bert Schoonvelde:
"My holidays in Tanzania were too short to get to know this magical country, so I stayed here and made my dream my job!"

Welcome to Zanzibar

THE JEWEL OF THE INDIAN OCEAN

In Zanzibar, nature and history are closely linked. You can visit Stone Town - the historic center of Stone Town that is listed as a world heritage site under the protection of UNESCO. Or you can soak up the sun on one of the islands' pristine white beaches.

Explore the fauna of the island with its unique Red Colobus monkeys, dive into the crystal-clear waters or use the island as a base for safaris into the stunning Tanzanian National Parks. No matter what you choose: Zanzibar is certainly your ideal holiday destination.

Mnemba Snorkeling

Zanzibar is great for diving and snorkeling, so you better won't lose the opportunity of your life to see lots of marine life!

Discover the underwater world of this marine sanctuary and its magnificent coral reef. You can see stingrays, barracudas, powder blue surgeon fish, clown tiger fish, long horned cowfish and many more. It's as if you were snorkeling in an aquarium. The waters are very shallow and we will take you to different areas around the island.

Depending on the tide, we can get close to Mnemba, and a short boat trip will bring us to this fascinating place. It's in the top 10 ranking of the best snorkeling places in the world!

Paradise Beach by Ngalawa

One of our more traditional excursions where you'll be sailing in a Ngalawa, a traditional tanzanian boat.

The beautiful area around our resort is called "Paradise Beach" and gives our resort its name. Leaving from the resort by small local ngalawa, you go slowly to the other side of the bay.

Here you will find a beautiful beach with mangroves and tropical vegetation. Take a nice romantic walk there, see the locals and see Paradise Beach Resort from the other side.

Nungwi Experience

The northern trip of Zanzibar offers some of the most beautiful sunsets in the world. Just discover it now!

Your driver to Nungwi will take you past the fish markets, where you can see the freshly caught seafood being auctioned. There's a stop at the ruins of an old Portuguese settlement, where your guide will explain the history of the ruins and the Portuguese conquest of Zanzibar, dating back to 1497.

A visit to the Nungwi turtle sanctuary and aquarium follows, where ailing turtles are nursed back to health and released into the ocean. A guided tour of Nungwi village, where mamas wrapped in kangas cook over firewood and smiling children play. Walk down to the beach where you can enjoy some free time sunbathing, swimming and snorkeling.

The northern trip of Zanzibar offers some of the most beautiful sunsets in the world. The sky turns pink and gold as the sun sinks over the Indian Ocean. Sundowners and a late transfer back to the resort can be arranged if you wish to stay to enjoy the sunset.

Stone Town Tour

Discover Zanzibar's capital city in our half day trip!

Follow the trail of the Sultans, slaves and explorers in the winding streets of Stone Town. Your guide will captivate you, retelling the events that shaped Zanzibar, leading you through the buildings where it all happened, like the former Slave Market and Anglican Cathedral, the House of Wonders and the Sultans' Palace Museum, the Freddie Mercury House, the Old Arab Fort and Dispensary and many more.

While tracing the steps of the past, the walking tour provides you with a window into modern life in Stone Town. Explore the spice markets, seafood and fish piled in the fish market, fresh loaves of bread in wicker baskets and the neat stacks of fruit and vegetables as traders sell their wares from their stalls. Children play while men enjoy board games.

Spice Farm Tour

In this excursion you will be able to learn about a lot of spices that are used in Zanzibar for cooking.

Walk through the spice farm with your guide. Touch, smell and taste different spices and tropical fruits. Try to guess which is which, from the crushed leaves, the fruit, shoots and vines and creepers crawling up to the trees. Learn about their properties, their origins and their uses as medicines and in food and drinks.

A visit to a spice farm village gives you an insight into local life and gives you the opportunity to try some authentic Swahili dishes, taste the fruits in season and try some spiced tea.

Depending on the season, you can find anything from vanilla, cardamom, cinnamon, nutmeg, turmeric, lemongrass, cloves, cumin, garlic, ginger, coriander, pepper, allspice, tamarind, jackfruit, custard fruit, orange, star fruit, banana, pineapple, tangerine, passion fruit, mango, avocado pear, papaya, grapefruit and many others.

Prison Island Tour

You'll never forget Prison Island: with the giant turtles and it's incredible surrounding coral reef.

Prison Island, looking on the coast, gets its name from the prison built to condemn Zanzibari citizens to the isolation of the island. Previously owned by an Arab to house his rebellious slaves, the prison was never actually used, and the island is now home to a tortoise sanctuary and a hotel.

Prison Island is 20 minutes away from Stone Town by boat, and has spectacular coral reefs for you to enjoy. Giant tortoises shuffle through the trees, with the infinite patience that old age brings. Originally thought to be from the Comoros Islands and Seychelles, some of these tortoises are thought to be over 100 years old. Stately and lumbering, the tortoises have even been known to take children on a ride.

After the trip to the tortoise sanctuary, you're left to explore the island. If you're feeling active, you can follow one of the hiking trails, snorkel in the crystal clear waters in search of colorful tropical fish darting through the reef or soak up some sun on the powder white beach.

Jozani Forest

Placed in the south of the island, Jozani Forest is a wonder a delight!

In the south of the island, Jozani Forest is a wonder and a delight, with tales of Zanzibar leopards, medicinal cures and stunning scenery. Currently under consideration to become Zanzibar's second World Heritage Site, the Jozani-Chwaka bay area is a hotspot of biodiversity. The forest is home to a number of endemic species, including the Zanzibar Red Colobus Monkey.

Your park ranger will take you on a nature trail, lined with eucalyptus and mahogany trees and explain the medicinal properties of various plants, and tell you about the animals, birds and reptiles that make their home in the various habitats of this tropical rainforest.

Troops of Zanzibar Red Colobus monkeys can be found scrambling from branch to branch, in search of food. The monkeys have become accustomed to people and allow you to get close to them to take photographs as they eat, play and jump from the treetops. The mangrove boardwalk takes you above the swamp where, depending on the tide, you can see crabs scuttling across the mud. Mangroves play an important role in environmental conservation and as a resource for villagers and community life. Your ranger will explain the different species found in the swamp and their uses.

Dolphin Adventure

Dolphins are the unic mammalian animals in the sea! Take this excursion and meet them.

Kizimkazi, on Zanzibar's south coast, is home to large numbers of bottle-nosed and spinner dolphins. Board a traditional ocean going dhow and spend a pleasant two hours scouting for dolphins.

Sleek and grey, the dolphins jack-knife through the water, sometimes showing off with jumps and twists. In the past, some tourists were lucky enough to swim and snorkel with these magical animals. However, the dolphins are wild, and can be shy and elusive. Although visitors see dolphins on the majority of outings, there are no guarantees. Whether you're fortunate enough to see dolphins or not, this trip is a great day out. It's an early morning boat trip.

THE JEWEL OF THE INDIAN OCEAN

Enjoy the ultimate Beach & Safari Holiday.

There is no better way to end your safari than by spending a few days/week relaxation on the pristine beaches of the exotic Zanzibar Island. Zanzibar is an island of culture, history and art. Stroll through the cobbled alleyways of the historic Stone town and as you pass by one of the many palace ruins and persian baths it is impossible not to be captivated by the strong arabian influence and romanticism of the Island. The coastal regions are the perfect places to relax and rejuvenate. Spend some lazy days along stretches of white sandy beaches, dive into the clear blue waters of the Indian ocean or explore the underwater world surrounding the island by taking a dive or snorkelling tour. Allow time to stand still as you sip a cool beverage, enjoy the finest of fresh seafood and watch one of the many spectacular sunsets on display.

Package: BS480

13 Day · Zanzibar & Northern circuit

- DAY 1-3

Zanzibar · One of the jewels of the Indian Ocean
Upon arrival at the airport of Zanzibar your driver takes you to Reef & Beach Resort, where you will check in to a Suite room. Take your time enjoying the resort by having a drink at the Jetty Bar, sunbathing or take a cooling dive in the Indian Ocean or swimming pool.
- DAY 4

Tarangire · Home of the Elephants
Your driver takes you to the airport of Zanzibar, from where you fly to Arusha; the safari capital of the country. Your guide picks you from the airport and transfers you to Tarangire National Park to start your private safari game drive. The name of the park originates from the Tarangire river, which is crossing the park and is the main source of freshwater for the wildlife. This quiet park is famous for its elephant migration, birding and authentic safari atmosphere. You enjoy a packed lunch at midday and at the end of the afternoon you drive to Africa Safari Lake Manyara for dinner underneath the stars and a good night of sleep in a comfortable Safari Tent.
- DAY 5

Lake Natron · Salt lakes and over 2.5 million Flamingos
This day brings you a road trip through northern Tanzania with destination Lake Natron. You depart from Africa Safari Lake Manyara after breakfast. The drive can take up to 4 hours and it's the perfect way to see different sides of Tanzania's changing landscape. Passing the Rift Valley and driving deeper you will find the green vegetation making place for a dry and dusty landscape. The occasional small Masai villages are dots in the scenery. The more you reach into the north, remains of old volcanoes rise around you. Among them there is the still active Oldoinyo Lengai, in Maasai language called "the mountain of God". When you finally reach Lake Natron, you might perhaps catch its smoke disappearing in the sky. The night is spent in a comfortable bed at Africa Safari Lake Natron.
- DAY 6

Serengeti Bologonja · Follow the Wildebeest Migration
The mineral rich hot springs on the way, between Lake Natron and northern Serengeti, are loved by many birds, so a visit there is worth the while. Your journey continues to a new destination: the corridor of Serengeti North. This small area hosts some of Serengetis wildlife and is a nice introduction before entering the Serengeti National Park.
- DAY 7

Serengeti · abundant wildlife and large numbers of big cats
After a good breakfast at Africa Safari Serengeti Bologonja, you will depart on your adventure towards Central Serengeti. This region is well known for the large number of big cats, the lion, leopard and cheetah are often spotted here. However, the elephant, giraffe, hippo, crocodile, buffalo and impala are popular inhabitants as well. Your driver guide takes you through this stunning place to Africa Safari Serengeti Ikoma for a good night of sleep, guarded by the Maasai.
- DAY 8

Ngorongoro Crater · The best place to Spot the Big Five
New day, new chances and new animals to be spotted. It is time to drive towards the highlight of your safari: the Ngorongoro Crater. A visit to this showcase of the Ngorongoro conservation area must be part of your trip. The Crater is around 3 million years old and it is the world's largest, inactive, intact and unfilled caldera. Inside the 8200 square meter volcano is a variety of wildlife active and the rarely seen black rhino has made it its home. Lions, elephants, zebra's, hyena's and many others keep him company. You enjoy your lunch during the safari and when your heart and camera are filled with beautiful pictures, you head back to where it all started: Africa Safari Lake Manyara.
